

NEW PRODUCT BULLETIN

...THE CUSTOMERS CHOICE

To view online [click here](#)

Dear Customer,

Welcome to the Listo Ltd New Product Bulletin.
The following *New Product* is now available.

Profibus Slave Module

XC-PROF-BD

The Listo XC-PROF-BD operates as a slave station on the Profibus DP network, running up to full 12MB speed. The Profibus address can be easily configured in the software in any of the Profibus addresses (1 to 127). The Module has four LEDs to give operation and diagnostic information.

The introduction of the Profibus XC-PROF-BD enables XC PLCs To Integrate seamlessly into existing and new Profibus networks.

Simply add to the Siemens hardware configuration and map the required addresses. No programming is required in either the Xinje or Siemens PLCs to setup communication.

Price: £210 / €239
ex VAT.
