

BESPOKE

PLC, HMI & SCADA TRAINING

TAILORED SPECIFICALLY TO YOUR PLANT

There is a plethora of competent training courses available for PLC, HMI & SCADA today, but most are generalized and can only give a broad overview of programming principles and fault-finding techniques, however....

listo: Would like to introduce you to our new, **PLANT SPECIFIC**, training package.

The package offers:

- ◆ A Detailed Study of Your Plant's Automation Processes and System Sequencing by our Engineers, from which we will Create a Unique Training Program
- ◆ In-depth On-site Training Schedule Conducted by our Experienced Engineer
- ◆ covering a wide range of subjects including: Equipment Specific Programming, Expert Knowledge Share, Useful Shortcuts, Fault-finding Guidelines

The benefits are:

- ◆ YOUR Maintenance Engineers Training on YOUR Systems
- ◆ More Confident and Proficient Maintenance Engineers
- ◆ Faults Identified and Rectified Promptly In-house
- ◆ Less External Support Required
- ◆ Resulting in Less Down-time and Lower Costs
- ◆ No Previous Listo Knowledge of Your Plant Required

listo:

listo:

Are recognized experts in PLC & HMI Programming and Industrial Automation and Control. We have over 30 years experience working with a wide range of prominent Automation Manufacturers' equipment in numerous industrial applications including: petrochemical, pharmaceutical, water treatment, food, drinks and sea life industries. Our clients include: FG Wilson, Caterpillar, Coca Cola, Ovivo, Glanbia Cheese, Dale Farm as well as a large number of smaller independent companies.

Our Engineers have expertise working with all industry recognized systems including:

- ◆ Siemens
- ◆ Omron
- ◆ Mitsubishi
- ◆ Schneider
- ◆ Wonderware InTouch
- ◆ WinCC

We specialize in the Design, Supply, Installation, Commissioning, Training and After-sales Support of projects large and small; providing service and assistance from individual elements to full Project Management if required.

Our strength is in listening to the customer and responding to their needs.

With our Extensive Staff-knowledgebase, Experience and a Company-wide Ethos to provide Premium Customer Service, Listo are the perfect choice for all your Automation Requirements.
